

### **Spring 2018 Internship (Operations) – New York**

Quantedge is a \$1.4 billion quantitative investment fund with an 11-year track record and annualized net returns of 24%. We have over 40 employees located in Singapore and New York City. Our organization is flat, non-bureaucratic, and results-oriented with significant opportunities for advancement for driven team players. Our Operations team performs daily trade reconciliations, daily fund valuation, and a wide range of related tasks.

We seek exceptional individuals to apply for our part-time Winter 2018 Operations Internship Program. This internship is for undergraduate students expecting to graduate in Spring 2018 who have strong technical skills and a background in Accounting, Business or Finance. Excellent interns may be offered permanent positions to start in mid-2018, after graduation.

#### **Requirements:**

- Bachelor-level degree in Accounting, Finance or Business
- Expected graduation date: mid-2018
- Team player, attention to detail, self-directed learner, strong work ethic
- Familiarity with MS Excel, VBA
- Basic knowledge of financial products/instruments

#### **Internship Period:**

05 Feb 2018 - 06 Apr 2018, 16 hours per week

#### **Location:**

Quantedge New York Office at 540 Madison Avenue

#### **Application Information:**

Interested Applicants may submit their resumes to [Ops.internship@Quantedge.com](mailto:Ops.internship@Quantedge.com).
